HOW TO GET AROUND

Getting around Utrecht is easy with its excellent public transport and bike-friendly infrastructure.

The city's buses and trams, operated by U-OV, provide quick access to all major areas. You can use an OV-chipkaart to pay for rides, available at stations and convenience stores. For more information, visit the U-OV website (**www.u-ov.info**).

The easiest way to get around is by bike. Besides the OV-fiets rental bikes, available at most train stations (you need a personal OV-chipkaart for this), you can also rent city bikes from **Dott** (Tier) or local companies like **Black Bikes**. These services offer flexible rental periods.
